

# AnywhereSeat

by **Ludus**

The easiest way to **stream** and **sell tickets**  
to your **virtual show**

Get started at [AnywhereSeat.com](https://AnywhereSeat.com)

## How It Works

1

### Sign up for your free AnywhereSeat account

Simply click the “Sign Up” button to start building your AnywhereSeat account. There are no setup fees, annual costs, or hidden fees.

2

### Enter your virtual event’s information

Determine whether you’ll be live streaming, uploading a pre-recorded video, or doing another kind of virtual event like a Zoom.

3

### Go live with your ticket sales!

That’s it! Patrons will receive a unique access code with their ticket purchase used to unlock your virtual event at the time set by you.

## Pricing

**5% + \$0.75 / ticket**

*Passed onto your patrons*

**No ticket fees**

*For complimentary and \$0 tickets*

**Example:** On a \$10 purchase, your patron pays \$11.25, we cover credit card processing fees, and **you're left with the full \$10.**
